

## 9. ACKNOWLEDGMENTS

Thanks are to Almighty Allah, the most Compassionate and the most Merciful, Who enabled me to complete this dissertation successfully.

I feel pleasure in expressing my thanks to Prof. Dr. Masoodul Hasan Hashmi, Department of Botany, University of Karachi for the guidance, cooperation and his interest during this study.

Thanks are also due to Prof. Dr. Saleem Shahzad, Department of Botany, University of Karachi, for reading the manuscript and making helpful suggestions.

This work was carried out and completed with the facilities made accessible to me by Department of Botany, University of Karachi and I express my gratitude to Prof. Dr. Ishaq Khan, Prof. Dr. S.M. Saifullah Ex-Chairmen and Prof. Dr. Muhammad Qaiser, Chairman of the Department. I am also thankful to the other members of the department for their cooperation and help.

I wish to extend my thanks to Prof. Dr. Viqar Uddin Ahmed and other faculty members of the H.E.J. Research Institute of Chemistry, University of Karachi for providing research facilities during a part of this work and valuable help in structural elucidation of metabolites.

I would like to express my thanks to my research colleagues especially, Dr. Fakhrun Nisa, Lecturer, Khatoon-e-Pakistan Govt. Sc. College, Karachi, Ms. Nasreen and Mr. Muhammad Arif Naqshbandi, Bio-Medical Engineer, for their help and suggestion to overcome various problems.

I would like to express special thanks to Dr. Iqbal Hussain Pathan, Deputy Director, Department of Plant Protection, Govt. of Pakistan, for his support and encouragement during this work.
