CONTENTS

CHAPTER 1: INTRODUCTION ............................................. 1
  1.1 Background of the Study ......................................... 1
  1.2 Statement of the Problem ........................................ 5
  1.3 Objectives and Research Questions ........................... 6
  1.4 Significance of the Study ........................................ 7
  1.5 Limitations and Delimitations .................................. 11
  1.6 An Overview of Research Methodology ....................... 12
  1.7 Organization of the Dissertation .............................. 14

CHAPTER 2: LITERATURE REVIEW ....................................... 17
  2.1 Corpus Linguistics ............................................... 17
  2.2 Language Change and Variation .............................. 26
  2.3 Computer Mediated Communication (CMC) .................. 32
  2.4 Short Message Service (SMS) .................................. 37

CHAPTER 3: METHODOLOGY AND DATA DESCRIPTION ............ 46
  3.1 Research Design of the Study .................................. 46
  3.2 Construction of SMS-Corpus ................................... 47
  3.3 Description of SMS-Corpus Data .............................. 54
  3.4 Analysis of SMS-Corpus ......................................... 55
  3.5 Collection and Analysis of Metalinguistic Data ............... 61
  3.6 Description of Questionnaire Respondents ................... 65

CHAPTER 4: METALINGUISTIC AWARENESS OF TEXTERS ......... 70
  4.1 Introduction to Metalinguistic Analysis ....................... 70
  4.2 SMS Language as a Register Specific Variety of Language .... 71
  4.3 Orthographic Impacts of SMS Language ....................... 72
  4.4 Incorporation of SMS Language in Pedagogy .................. 73
  4.5 Factors of Telegraphic Style of SMS Language ............... 74
  4.6 Communicative Functions of Text Messages ................... 76
  4.7 Factors of Phonological Adaptations in SMS Language ....... 78
  4.8 Factors of Code and Script Adaptations in SMS Language .... 79
  4.9 Sociocultural Impacts of Text Messages ....................... 81

CHAPTER 5: LEXICAL ADAPTATIONS ..................................... 82
  5.1 Introduction to Lexical Adaptations ........................... 82
### CHAPTER 6: SYNTACTIC ADAPTATIONS

- 6.1 Introduction to Syntactic Adaptations
- 6.2 Word Ellipses/Omissions
- 6.3 Word Reduplications
- 6.4 Grammar Deviations

### CHAPTER 7: PUNCTUATION AND SPACE ADAPTATIONS

- 7.1 Introduction to Punctuation and Space Adaptations
- 7.2 Deviant Uses of Punctuations
- 7.3 Creative Uses of Punctuations
- 7.4 Deviant Uses of Spaces

### CHAPTER 8: CODE AND SCRIPT ADAPTATIONS

- 8.1 Introduction to Code and Script Adaptations
- 8.2 Code-mixing
- 8.3 Code-switching
- 8.4 Romanization of Urdu

### CHAPTER 9: FINDINGS AND CONCLUSIONS

- 9.1 Findings of the Study
- 9.2 Conclusions
