ACKNOWLEDGEMENTS

The researcher deeply acknowledges the able supervision and superintendence provided by her supervisor Professor Brig. ® Dr. Allah Bukhsh Malik, Head of the Department, Department of Education, National University of Modern Languages, Islamabad, as well as, for his continuous encouragement and guidance. It was but his helping, suggestive and motivational attitude which made the successful completion of this study possible.

The researcher is pleased to pay tribute to Rector Major General (R) Masood Hasan, National University of Modern Languages, Islamabad whose cooperation, encouragement and support have been helpful for the completion of this study.

The researcher is especially thankful to Professor Dr. Shazra Munnawer, Dean Faculty of Advanced and Integrated Studies and Research, National University of Modern Languages, Islamabad for providing valuable advice and suggestions for the completion of the study.

The researcher is highly indebted to Dr. Aisha Akbar, Dean Faculty of Management Sciences, Muhammad Ali Jinnah University, Islamabad, who provided guidance in the development of aptitude scale and her inspiring behavior accelerated the pace of work.

The researcher is highly grateful to Dr. Faqir Muhammad, Chairman Faculty of Mathematics, Allama Iqbal Open University, Islamabad who provided guidance in the selection and use of statistics in the analysis of data.

The researcher is particularly thankful to Col. (R) Dr. Manzoor Arif, Professor of Education, University Institute of Education and Research, Arid Agriculture University, Rawalpindi, who provided immense guidance, supervision and encouragement for the completion of study.

She extends her deep gratitude to Dr. Allah Rakha Saghir, Ex-Chairman Department of Education Planning and Management, Allama Iqbal Open University, Islamabad for his critical evaluation and valuable suggestions.

The researcher is pleased to pay special thanks to Professor Dr. Rehana Masroor, Dean, Faculty of Education, Allama Iqbal Open University, Islamabad for encouragement and guidance for the completion of study.

Special thanks are due to students, teachers and the Principal of Federal College of Education, Islamabad for their excellent cooperation in conduction of this study.

Heartfelt thanks are also due to Mrs. Naina Syed, Lecturer of Educational Psychology, Federal College of Education, Islamabad for her help in preparation of the achievement tests.

She is grateful to the members of her family for their patience, assistance and moral support.
