## I INTRODUCTION

Rationale of the Study | 6 |
Statement of the problem | 6 |
Objectives of the study | 7 |
Research Question | 7 |
Hypotheses of the study | 7 |
Significance of the study | 8 |
Delimitation of the study | 9 |
Definition of terms | 9 |

## II REVIEW OF RELATED LITERATURE

Elementary Education | 11 |
Elementary school | 12 |
Elementary teacher | 13 |
Administrators at Elementary level | 13 |
Importance of Elementary Education | 15 |
Structure of Elementary Education in Pakistan | 17 |
National Education Policies of Pakistan and Elementary Education | 18 |
Five Year Plans and Elementary Education in Pakistan | 26 |
Concept of Job satisfaction | 30 |
Theories of job satisfaction | 34 |
Content theories | 34 |
Process theories | 37 |
Situational theories | 39 |
Theory of Work Adjustment | 39 |
Measuring job satisfaction | 42 |
Factors affecting job satisfaction | 45 |
Benefits/Importance of job satisfaction studies | 47 |
Demographcal variables and job satisfaction | 49 |
Sources of job satisfaction | 52 |
Causes of dissatisfaction .......................................................... 53
Research studies on job satisfaction ........................................... 54

III RESEARCH METHODOLOGY ....................................................... 62
Research Design ........................................................................ 62
Population of the study ................................................................. 63
Sampling ...................................................................................... 64
Research Instrument .................................................................. 67
Reliability of MSQ ...................................................................... 70
Validity of MSQ .......................................................................... 72
Data collection procedure ......................................................... 72
Data Analysis ............................................................................. 73

IV ANALYSIS AND INTERPRETATION OF DATA ......................... 77
Section I Whole Sample ............................................................... 78
Section II Rawalpindi District ...................................................... 110
Section III Sahiwal District ......................................................... 140
Section IV Statistical Analysis and Hypothesis Testing ............... 170
Discussion .................................................................................. 204

V SUMMARY, FINDINGS, CONCLUSION AND RECOMMENDATION . 211
Summary .................................................................................... 211
Findings ...................................................................................... 213
Conclusion .................................................................................. 224
Recommendation ......................................................................... 226

REFERENCES ............................................................................. 230
APPENDIX .................................................................................. 242
