THESIS/DISSERTATION AND DEFENCE APPROVAL FORM	ii
CANDIDATE DECLARATION FORM	iii
ABSTRACT	iv
TABLE OF CONTENTS	v
LIST OF TABLES.....	vi
ACKNOWLEDGEMENT	vii
I INTRODUCTION:	
Introduction	1
Statement of the Problem, objective of the research, hypothesis Of the research-----	6
Theoretical Frame Work-----	7
Significance of the study, Delimitation of the study-----	8
Limitations of the researcher, Procedure, Population, Sample-----	9
The Tool-----	10
Data Collection-----	11
Data Analysis-----	11
II REVIEW OF RELATED LITERATURE-----	13
Concept of motivation-----	13
Functions of motivation, Process of motivation -----	15
Sources of motivation, Types of motivation-----	18
Sources of motivational needs-----	20
Factors that affect student's motivation-----	21
Motivation and arousal-----	26
Motivational Techniques for Classroom-----	27
Selection of appropriate strategies of motivation, -----	38
Impacting motivation in the classroom-----	40
Advantages to being motivated-----	41
Disadvantages to being un-motivated-----	41
Motivational and Educational Influences of Learning-----	42
Some basic considerations-----	52
Motivation-----	63
Effect of achievement motivation on behaviour-----	68
Implicit and self attributed motives-----	70
The Hierarchical model of achievement motivation-----	71
Achievement goals and information seeking-----	72
Self worth theory in achievement motivation-----	74
Avoidance Achievement motivation-----	75
Approach and avoidance goals-----	77
Intrinsic motivation and achievement goals-----	80
Personal Goal Analysis-----	81

	Effects of test anxiety and evaluative threat on students'	
	Achievement and motivation-----	82
	Theories about the need for achievement-----	83
	Attribution theory and achievement-----	90
	The un-motivated person-----	92
	The motivated under-achiever-----	92
	Theories of motivation-----	99
	Achievement motivation-----	110
III	METHOD AND PROCEDURE-----	111
	Population, Sample-----	111
	Sampling Frame-----	112
	Sample limitations, Pilot Study-----	114
	Determination of Reliability and validity of the Questionnaire-----	116
	Theoretical Frame work-----	118
	Development of the questionnaire-----	122
	Data Collection-----	123
	Analysis-----	124
IV	RESULTS, PRESENTATION AND ANALYSIS OF DATA	125
	Motivation Level of university students-----	125
	Gender Differences in motivational level-----	130
	Sub-scale wise correlation between motivation and academic Achievement-----	131
	Item wise relationship between motivation and academic Achievement-----	132
	Correlation with zero motivation-----	136
V	SUMMARY, FINDINGS, CONCLUSION AND RECOMMENDATIONS-----	208
	Summary-----	208
	Findings, gender differences in motivation -----	210
	Sub-scale wise correlation between motivation and academic Achievement-----	210
	Item wise relationship between motivation and academic Achievement-----	211
	Motivational level of university students-----	217
	Relationship between items on the scale-----	217
	Discussion -----	220
	Conclusion-----	229
	Recommendations for future research -----	230

Suggestions to improve motivation-----	232
REFERENCES-----	235
WEBSITES-----	245
CDs-----
