Arid Agriculture University Rawalpindi	iv
Pakistan.....	iv
1 ACKNOWLEDGEMENT	xi
2 ABSTRACT.....	xiii
1 INTRODUCTION	1
2 REVIEW OF LITERATURE	7
2.1 IMPORTANCE OF FORESTS FOR WATERSHEDS	7
2.2 FOREST AND LAND STABILIZATION	8
2.3 DEVELOPMENT OF INFRASTRUCTURE AND WATERSHED	10
2.4 URBANIZATION AND WATERSHED	12
2.5 URBANIZATION AND CHANNEL MORPHOLOGY	15
2.6 WATER QUALITY	16
2.7 SUSTAINABLE DEVELOPMENT	18
3 MATERIALS AND METHODS.....	19
3.1 DESCRIPTION OF STUDY AREA	19
3.1.1 Location and Boundaries	19
3.1.2 Physical Features and Topography	20
3.1.3 Geology, Rocks and Soils	21
3.1.4 Drainage	25
3.1.5 Climate	25
3.1.6 Existing Land Use Pattern	27
3.2 SOCIOECONOMIC PROFILE OF WATERSHED	29
3.2.1 Population Size, Growth and Distribution	29
3.2.2 Culture.....	30
3.2.3 Road Network	31
3.3 DETERMINATION OF LAND USE CHANGE AND IMPERVIOUS AREA.....	31
3.3.1 Determination of Land Use Change	31
3.3.2 Determination of Impervious Area	33
3.4 RELATIONSHIP OF INFRASTRUCTURE DEVELOPMENT WITH SOIL EROSION, STREAM FLOW REGIME AND STREAM WATER QUALITY	34
3.4.1 Changes in Channel Morphology	34
3.4.2 Stream Flow Regime.....	36
3.4.3 Suspended Sediment in Stream Water	37

3.4.4	Sediment in Reservoir.....	38
3.4.5	Water Quality.....	38
3.5	IDENTIFICATION OF CRITICAL WATERSHED AREAS.....	38
3.5.1	Delineation of Watersheds.....	39
3.5.2	Delineation of Critical Watershed Zones.....	39
3.6	IMPACT OF INFRASTRUCTURE DEVELOPMENT ON SOCIOECONOMIC CONDITIONS OF LOCAL COMMUNITIES	40
3.7	STATISTICAL ANALYSIS.....	41
4	RESULTS AND DISCUSSION.....	42
4.1	HYDROLOGICAL IMPACTS OF DEVELOPMENT.....	42
4.1.1	Land Uses.....	42
4.1.2	Current Magnitude and Distribution of Infrastructure Development	43
4.1.3	Infrastructural Development and Soil Erosion	50
4.1.4	Water Quality.....	63
4.1.5	Water Regime	63
4.1.6	Delineation of Critical Watershed Zones Based on Vulnerability to Destabilization due to Development Activities.....	69
4.2	SOCIOECONOMIC IMPACTS OF INFRASTRUCTURE DEVELOPMENT ON LOCAL COMMUNITIES.....	76
4.2.1	Population Size, Growth and Distribution.....	76
4.2.2	Demographic Characteristics of Simly Watershed.....	77
4.2.3	Literacy /Education.....	80
4.2.4	Economic Independence of Women	83
4.2.5	Broad Analysis of Housing Data	86
4.2.6	House Hold Items	90
4.2.7	Water Supply System and Garbage Disposal System.....	90
4.2.8	Interest in Farming.....	95
4.2.9	Source of Fuel	95
4.2.10	Livestock Rearing	96
4.2.11	Social impacts of Infrastructure Development: People’s Perception	96
4.2.12	Culture.....	99
4.2.13	Dress	100
4.2.14	Education facilities.....	100
4.2.15	Medical Facilities.....	102
4.2.16	Road Network	102

	4.2.17	Socio-economic Impacts of Infrastructure Development: Expert's Opinion.....	104
5		SUMMARY.....	105
6		Literature cited.....	110
7		<i>ANNEXURE - I</i>	116
