## Chapter I
### Introduction ................................................................................................................... 1

1.1 Historical Perspective on Rural Poverty in Pakistan .............................................. 4  
1.2 Trends in Incidence of Poverty in Pakistan ............................................................ 5  
1.3 Rural Poverty in Sindh ........................................................................................... 7  
1.4 Trends in Incidence of Poverty in Districts of Sindh ........................................... 8  
1.5 Poverty in Badin District ....................................................................................... 9  
1.6 Poverty in Sanghar District .................................................................................. 9  
2.1 Justification for conducting the research ............................................................... 12  
2.2 Objectives ............................................................................................................ 13  
2.2.1 Overall Objectives ......................................................................................... 13  
2.2.2 Specific Objectives of the Study .................................................................. 13  
2.3 Hypothesis ......................................................................................................... 13  
2.4 Significance of the study ................................................................................... 14  
2.5 Purpose of the study ......................................................................................... 14  
2.6 Limitation of the study ..................................................................................... 15  
2.7 Conclusions ...................................................................................................... 15  

## Chapter II
### Review of Literature .................................................................................................. 17

2.1 International Perspective on Poverty and Inequality Issues ............................... 17  
2.2 Critique .............................................................................................................. 21  
2.3 Pakistan Perspective on Poverty and Inequality Issues .................................... 24  
2.3.1 A Review of Past Economic Policies (1958-1989) ...................................... 24  
2.3.2 The Deepening Economic Crises (1989-1999) ................................................. 25  
2.3.3 Medium Term Poverty Reduction Strategy Paper (MTDF) (2006-2009) ...... 26

6.9.1 Multiple Linear Regression Model .................................... 171
6.9.2 Multiple Linear Regression Model Data for Badin................... 171
6.9.3 Normal Probability Plot of Multiple Regression Model ........ 173
6.9.4 Regression Residuals ..................................................... 174
6.9.5 Multiple Linear Regression Model of Transformed Data for Badin 176
6.9.6 Normal Probability Plot of Multiple Regression Model Using Transformed Model 177
6.9.7 Regression Residual Plot Using Transformed Values ............ 178
6.10 Results of Hypothesis Testing ............................................. 180
6.11 Conclusions ................................................................. 180
Chapter VII

7.0 Primary Data Analysis and Discussion

7.1 Introduction

7.2 Survey Results of VDOs in District Sanghar

7.2.1 Activities of VDOs to Alleviate Poverty

7.2.2 Empowerment and Participation in the Community

7.2.3 Perception about Proper Utilization of Microcredit Loans

7.2.4 Status of Health and Nutrition

7.2.5 Improvement of Living Standard after the Loan

7.2.6 The Role of VDOs in Environmental Degradation

7.2.7 The Role of VDOs in Establishing Income Generating Business

7.2.8 Recommendations of VDOs for Effective Poverty Alleviation Programmes

7.2.9 Rural Community Opinion on Government Poverty Alleviation Strategies

7.2.10 Services Provided by VDOs to Community to Alleviate Poverty

7.2.11 Important Services Implemented by VDOs and Problems Encountered

7.2.12 Increases in Access of Good Quality Water

7.2.13 The Role of VDOs in Constructing a Building for the Community

7.2.14 Leadership Style of VDOs in District Sanghar

7.2.15 Perception About Total Credit Disbursed to the Community

7.2.16 Conditions for Successful Use of Microcredit in District Sanghar

7.2.17 Goals Purpose and Aims of VDOs in District Sanghar

7.2.18 Specific Areas VDOs are Working to Alleviate Poverty in District Sanghar

7.3 Survey Results of VDOs in District Badin

7.3.1 Activities of VDOs to Alleviate Poverty

7.3.2 Empowerment and Participation in Community

7.3.3 Perception on Proper Utilization of Microcredit Loans

7.3.4 Resources of Health and Nutrition

7.3.5 Improvement of Living Standard after the Loan

7.3.6 The Role of VDOs in Saving Environment from Degradation

7.3.7 The Role of VDOs/NGOs in Establishing Income Generating Jobs

7.3.8 Recommendations of VDOs for Improving Poverty Alleviation Programmes

7.3.9 Rural Community Opinion About Poverty Alleviation Strategies

7.3.10 Services VDOs Should Provide to Alleviate Poverty

7.3.11 Important Services Implemented by NGOs/ VDOs and Problems Encountered

7.3.12 Increase in Access to Good Quality Water

7.3.13 The Role of NGOs / VDOs in Constructing a Building for the Community

7.3.14 Leadership Style of VDOs in District Badin
Chapter VIII

8.0 Summary, Conclusions and Recommendations. 229

8.1 Summary................................................................. 229
8.2 Conclusions............................................................... 230
8.3 Recommendations...................................................... 237
8.4 Follow up studies....................................................... 245
